213 Waste Accumulation Area Change 8 26 2015 signed.pdf

UC,

Please find the attachment. It should be in good working condition.

Respectfully,
Ryan Andersen

Captain,

I am currently in Ventura looking for spaces to host the HotWash. When I get a chance I will send it out.

This information is required to be passed to the UC as identified under the Critical Information Requirement #9 (Change in status for any Refugio Incident Facility). Also, this ICS 213 will added as an amendment to the waste management plan.
